# 1 | Introduction

Welcome to the Booking Handbook, a guide to the booking process for Camp 100! We hope that this handbook will support groups and individuals who are booking into Camp 100 and be a walk-through guide to starting your journey to our centenary celebrations.

## 1.1 Booking System

We will be using the Woodcraft Folk camp booking system for Camp 100 (this is a modified and updated version of what was used for Common Ground and Venturer Camp 2023).

Information on how to access the booking system and how to use it are available in the subsequent sections of this handbook.

## 1.2 Support

If you need support with the booking process or have any questions which aren't answered in this guide, feel free to get in touch on [info@camp100.org.uk](mailto:info@camp100.org.uk).

## 1.3 Overview of Booking Process

The booking process has a number of parts.

1. Apply to book ([Section 2](#))
2. Book ([Section 3](#))
3. Edit booking ([Section 4](#))

## 1.4 Individual Bookings

Where possible, you should book as part of a group. If you are an individual who is planning to camp with a group you are part of or affiliated with, please get in contact with them to be included in their booking. If you would like to book as an individual DF or volunteer see below how to select individual booking in section 2. We have made it possible for individuals (and groups up to 3 people) to pay by card.

## 1.5 Woodcraft Folk Membership & DBS

Everyone over the age of 16 attending the camp from the UK will need to be a member of Woodcraft Folk. Information on how to become a member can be found on the Woodcraft

Website [here](#).

Woodcraft Folk members over the age of 16 taking on a role in which they are responsible for under 16 year olds, and everyone over the age of 18, will need to have completed a DBS/ PVG check. Information on how to do this will be available through your local Membership Secretary or through the [Woocraft Folk Website](#).

Further information on Safeguarding at Camp 100 will be made available on our dedicated safeguarding webpage.

## **1.6 International Safeguarding**

International campers over the age of 18 will need to sign a safeguarding declaration form before attending Camp 100. This is to ensure we can keep all campers and volunteers as safe as possible during the event. International campers attending who are 16-18 taking on a volunteer role during the camp will also need to fill in the form. Once booked in you will receive an electronic copy of the form to the email address provided.

## 2 | Stage 1: Apply To Book

The first stage for booking is to apply to book. You will need to complete this stage in order to create a booking. Applying to book is not committing that your group will come, it is simply giving us an indication that you wish to do so and giving us an idea of numbers. Groups coming from outside of Western Europe will need to do this by **1st December 2024** so we can plan funding allocation (but we won't necessarily be able to fund every group who applies). After you have been approved to book, you will be able to login and edit your booking.

1. Go to the [Camp 100 Booking System](#)

2. Click log in to book.

Next to the login button is a dark/light mode toggle. This will change the theme of the app to be either dark or light. For simplicity, all screenshots in this guide will be in light mode.

Camp 100  
27th July - 6th August 2025  
Welcome to the Camp 100 booking system!  
In 2025 Woodcraft Folk will be celebrating our centenary (100 years of bringing brilliant experiences for young people). Camp 100 will give attendees experiences to remember including playing co-operative games, making new friendships, taking part in educational workshops, enjoying adventurous activities and spending evenings chilling around the campfire. Ideally bookings are made by group leaders but the system can also be used for individual volunteer bookings. Please check the booking handbook for advice on making a booking.  
Any questions please get in touch to [info@camp100.org.uk](mailto:info@camp100.org.uk)

APPLY TO BOOK

Figure 2.4: Apply To Book button

7. Tick whether you are making a group or individual booking. You may need to re-enter your name and email. Select your organisation from the dropdown menu and enter the approximate number of people you are planning to bring into the textbox when prompted then press Submit. (Don't worry if this changes but an estimate is really helpful for us)

Apply to book for Camp 100

We require everyone booking to first go through an application step to help with the booking admin. Once you have submitted this our team will review it and if approved you will be emailed a confirmation and can then come back and fill in the booking form. We may alternatively ask you to get in contact with someone who is already doing booking for your group/area.

Please select the type of booking you would like to make:

Group Booking ☒  
If you are booking for a Woodcraft Folk District, Group, or other large booking, please select this option.

Individual Booking ☐  
If you are booking just yourself or your family members, please select this option.

8. Your application will now be sent to the Camp 100 team

9. When your booking has been approved, you will get another email. Continue to [Stage 2: Booking](#). If from your application it seems like someone else from the same group has already applied to book, we may get in touch to say you should speak to them rather than approving you to book separately.

## 3 | Stage 2: Booking

To start in this section, you must have been approved to book. If you are unsure of what that means, see [Stage 1: Apply to Book](#).

The booking system is set up to be a 'live' system. To make it as easy as possible for group leaders we advise that you add people as soon as possible (even whilst your local district/group booking process is still open), as this will spread out the time filling in the information as well as give the Camp 100 team a good idea about numbers. Should you wish you can put in placeholders, e.g 'elfin 1', 'pioneer 2', until you're clearer on who exactly is coming.

1. Go to the [Camp 100 Booking System](#)
2. Click 'login to book' and ensure you login using the same service which you did last time (this is really important as otherwise, you'll have to apply to book again).

Figure 3.1: Booking System Homepage

3. You will now be redirected back to the home page. Click Book.

Figure 3.2: Homepage showing the 'Book' button

4. Now you will need to enter some details about the booking. Enter this information in the text boxes provided. You have the option to add 'Extra Contacts' these should be volunteers who are part of your booking and the Camp 100 team can contact

everyone on this list and yourself about the camp.

5. Scroll down to Campers.

6. We have added an option to complete the booking forms in a spreadsheet rather than using individual forms on the system for each camper. You need to choose whether you want to input the details through a google spreadsheet **OR** complete the booking using the forms on the booking system.

If you are **NOT** using the spreadsheet option skip to [Step 7](#)

Spreadsheet instructions:

(a) We can create a Google Sheet to fill in and then import the data. This may be easier for larger groups. Clicking the button 'create sheet' will create a Google Sheet and share it with the email you have provided. The spreadsheet will ask for the same information as the booking system.

**NOTE: Importing from the spreadsheet will overwrite any data you have already entered into the booking system forms so it is important to choose which method you are using.**

Figure 3.3: Create Sheet button

- (b) Once you have created the spreadsheet you will receive an email with a link to the sheet to the email address that you booked with. To access the spreadsheet you will need to have a google account (you can create a google account even without a gmail email address, find support here - [support.google.com/accounts/answer/27441?hl=en](https://support.google.com/accounts/answer/27441?hl=en) )
- (c) Once you have received the email you can follow the link to open the google spreadsheet

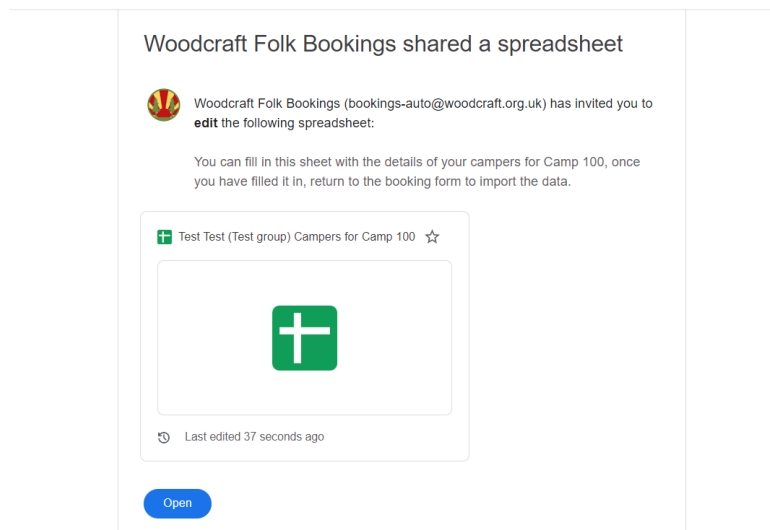

Figure 3.4: Email showing the Shared Spreadsheet

- (d) When you open the spreadsheet you will see the same fields as in the booking system forms. We advise that you share the [example consent form](#) at the end of this guide with parents/carers from your group and use the information to input each camper's data into the spreadsheet. We will need an email address for every camper, if the camper is under 16 this should be the email of a parent or guardian and for over 16s a personal email address where possible. We will use this information to update campers/their parent or guardian with key info and verify Woodcraft Folk membership.

## 6 | After the Booking Deadline

### 6.1 Read Only Booking Data

After the bookings deadline on the 18th of May, applying to book (stage 1) and booking (stage 2) will continue to work as they did before, however the process for updating your booking will work a bit differently. When you log on you will be presented with a read-only view of your booking. You can use this to double check the information you have provided.

The screenshot shows a web interface for 'Camp 100' with the dates '26th July - 5th August 2025'. A blue button labeled 'VIEW BOOKING' is in the top right. The main text welcomes users to the booking system and provides details about the camp's centenary in 2025. It mentions that bookings are typically made by group leaders but can also be for individual volunteers. A link to the 'booking handbook' is provided. At the bottom, it says 'Any questions please get in touch to [info@camp100.org.uk](mailto:info@camp100.org.uk)'.

Figure 6.1: View booking button

#### Booking for Camp 100

The screenshot shows a form titled 'Booking for Camp 100'. At the top, there is a read-only notice in a yellow box: 'This view is read-only. As the deadline has passed you can no longer update your booking. If you need to make changes please contact the camp team at [info@camp100.org.uk](mailto:info@camp100.org.uk) and they can make the changes or allow you to edit it yourself.' Below this, the 'Booking Type' section asks the user to select the type of booking. There are two options: 'Group Booking' (selected with a green box and a checked checkbox) and 'Individual Booking' (unselected with a white box and an unchecked checkbox). Below the booking type selection, there is a dropdown menu for 'Organisation' with 'Woodcraft Folk' selected, and a text input field for 'District' with 'Test' entered.

Figure 6.2: Read Only notice

If you need to make any changes to your booking, please contact the camp team at

info@camp100.org.uk and they can either make the changes for you, or for more complicated changes unlock the booking so you can once again edit it yourself.

## 6.2 Late and Cancellation Fees

Making any changes after the deadline that reduces the fees owed will trigger a cancellation fee of 50% of the difference between the new fee and the total at the deadline:

	Fee	Balance
12 People for the Whole camp	£2,400.00	
Cancellation Fees	£100.00	
50% of the difference between the total fees at the booking deadline (£2,600.00) and now (£2,400.00)	£2,500.00	£2,500.00

Figure 6.3: Cancellation fees

After the 27th of May, late fees apply and new campers added after this date will cost more:

Attendance	Regular Fee	After 27 May
10 days	£265	£350
7 days	£210	£285
3 days	£120	£160

Table 6.1: Payment structure including late fees
